Client Liability: When a client schedules more services or facilities than actually used, **GasLight's** policy is to bill 75% of the scheduled booking, or the actual time used, whichever is greater. Any scheduled edit canceled with less than 24 hours notice is subject to a 75% cancellation fee. Client-owned equipment connected to **GasLight** facilities may be subject to an additional hookup fee.

(Prices are subject to change without notice and do not include applicable taxes)
